Kitsune

Hi, I'm _____, Kit's best friend. I'm writing for Kit because Kit hardly ever speaks or writes. Kit mostly doodles in class. In case you haven't figured it out, Kit's not really a boy or a girl. Kit says Kit's a fox, but I don't think Kit's the kind of fox you would normally think of.

Besides being really funny, Kit's got some cool tricks up Kit's sleeve. Kit can parkour like no-one I've ever seen, just bouncing off the walls. Sometimes I worry about Kit because you don't see Kit for days. Kits gets into all kinds of trouble looking for the place Kit came from and trying to figure out what Kit should do.

The only thing that keeps Kit coming back to school is Kaito, a student in our class. When Kaito is around, Kit becomes very quiet and intense but I'm quite happy about it because if it weren't for Kaito, I don't know what would become of Kit ...
